

Target Consumers by the Brands They Love Most

Alliant Brand Propensities

Reach consumers by the brands they prefer — and the propensity to advance from the shopping cart to order confirmation.

Alliant Brand Propensities are generated from Alliant's rich sources of continually updated multichannel purchase transactions and powered by advanced data science.

All product and company names are trademarks™ or registered® trademarks of their respective holders. Use of them does not imply any affiliation with or endorsement by them.
